Our Clubs don't just do one thing. We do whatever it takes to build Great Futures for children, youths, and families in our local communities.

From the moment our kids and teens are welcomed into our Clubs each day, they enter a world where they are safe, celebrated, encouraged, and inspired.

Our Mission

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

Our Vision

We seek to provide an outcome-driven Club Experience that helps young people achieve academic success, good character and citizenship, and healthy lifestyles.

98% of our kids believe “People at this Club accept me for who I am.”

96% of our kids believe “The adults at this Club believe that I will be a success.”

88% of our kids believe “I can talk to an adult at this Club if I have a problem.”

50+ teens participate in our weekly Teen Nights

Our teen and tween programs focus on workforce development, leadership skills, and social skills, while also offering a safe place to connect and build relationships with peers and adult mentors.

Almost 200 youth receive individualized tutoring

Working in partnership with the City of New Haven, United Way of Greater New Haven, New Haven Public Schools, and Quinnipiac University’s America Reads program, we are committed to providing academic support in literacy and math to primary and secondary students.

8 locations where youth receive support and mentorship everyday

We feel proud to provide high-quality programs and services at our Ulbrich Clubhouse in Wallingford, Columbus Avenue Clubhouse, Ulbrich North Haven Clubhouse, and at six public school sites in New Haven and North Haven.
